

## **PRINCIPAL BOY AUDITION PIECE**

*ALADDIN ENTERS THE CAVE*

**ALADDIN**

Ow! - It's so dark, I can't see a thing

**ABANAZA**

Fear not, soon your eyes will become accustomed to the gloom

**ALADDIN**

It stinks! It's not nice down here

**ABANAZA**

Look around Aladdin, the sooner you find the lamp the  
sooner you'll be out of there.

**ALADDIN**

Uncle, something's happening...

**ABANAZA**

Yes, yes what can you see

**ALADDIN**

Uncle it's a lamp

**ABANAZA**

Quick boy bring it to me

**ALADDIN**

And jewels. There's thousands of them

**ABANAZA**

Leave the jewels where they are Aladdin

**ALADDIN**

But Uncle you said I'd be rich

**ABANAZA**

And you shall be Aladdin if you just bring me the lamp

**ALADDIN**

It's nothing but an old lamp - I don't understand

**ABANAZA**

Throw it to me

**ALADDIN**

But how do I get out Uncle?

**ABANAZA**

Don't worry about that, just throw me the lamp!!!

**ALADDIN**

Surely it can't be as valuable as all this treasure

**ABANAZA**

Just throw it to me!!!.....Now!!!

**ALADDIN**

I will but first let me collect some jewels

**ABANAZA**

NO! Aladdin. I warn you, Try to remove any of the treasures from this cave  
and you will be sealed in for all eternity along with my lamp

**ALADDIN**

What? That's not what you said before. I only need a few

**ABANAZA**

Do as you are told

**ALADDIN**

Why should I

*ALADDIN WALKS BACK TOWARDS THE TREASURE AND TAKES A HANDFUL OF JEWELS  
VFX DOOR CLOSES AND THE JEWELS DISAPPEAR AND IT BECOMES DARK ONCE AGAIN*

**ABANAZA**

Aladdin...My lamp.

**ALADDIN**

Uncle! Uncle! Maybe I should have listened to him. There must be another way out, I mean I can't be  
trapped in here for all eternity...can I?

*HE SITS ON THE TOP OF THE STEPS WITH THE LAMP IN HIS HANDS*

And what's so important about this old lamp anyway. It doesn't even work. At least if it did I could see what I'm doing. Can't believe I'm trapped here all alone. When I say alone, there's obviously you lot with me as well so I guess we're all in this together. Oh what should I do boys and girls?

**AUDIENCE**

Rub the lamp!

**ALADDIN**

What? Rub the lamp? Bit weird but nothing to lose I guess

*VFX: HE RUBS THE LAMP AND MAGICAL THINGS BEGIN TO HAPPEN. HE DROPS THE LAMP. THE GENIE THEN APPEARS*

END
