

COMIC AUDITION PIECE

WISHEE WASHEE enters in a panic carrying his guitar.

WISHEE

Oh no I haven't missed him have I? Someone said the Grand Vizier was here and I wanted to talk to him about booking me and my band for the Suitors Day Celebrations. We are brilliant. We're kind of a cross between K-Pop and wrap. That's right – K-wrap. You see I want to be the greatest pop sensation this town has ever seen, heck I wanna be like Elton John but more flamboyant. I wanna be like Harry Styles but with a better haircut. I wanna be like Ed Sheeran - but good. You see I've been busking down the way and I've made a fortune today...look at that, £2.40, two bottle tops and a lump of chewed up chuddy. Briiiiliant (*Pops it in*) I'll have that. Anyway, I've not introduced myself yet have I? My name's Wishee Washee and I live here in the Laundry with big brother Aladdin and my mum, the widow Twankey. Have you met her yet? No? You'll know her when you see her, she's got what you might call a nice butter face. Yep, everything about her's nice, but her face. And then there's my brother Aladdin and he is brillliiiiant, always zipping here, zipping there, always doing things to help other people and always doing things to help our mum. Oh look, here he comes now...
